

Wash 'N Roll Car Wash – Cedar Park, TX

Artisan Glazed Thin Brick

McIntyre's Artisan Glazed Thin Brick is a unique thin brick product that enhances textured face brick with the beauty of superior ceramic glazes. Ideal for both interior and exterior applications, Artisan Glazed Thin Brick is an innovative product created for inspired commercial and residential designs.

GLAZED THIN BRICK:

Size shall be 1/2" thickness by:

- Modular (2-1/4" x 7-5/8")
- Modified Standard (2-1/2" x 8")
- Closure (3-5/8" x 7-5/8")
- Modified Norman (2-1/2" x 11-1/2")
- Modified Utility (3-1/2" x 11-1/2")

ARTISAN GLAZED THIN BRICK SPECIFICATION, as manufactured by McIntyre Tile Company, shall comply with ASTM C 1088-11, Grade Exterior for physical properties, Type TBS; and ASTM C 126-11 for Properties of Finish on a wire cut texture.

Note: Special or decorative glazes may not meet the requirements for properties of finish for crazing, hardness or abrasion. Manufacturer's standard sizes, shapes and glazes shall be selected by specifier.
